LETTER

From the Editor

The big question of life this month is: Would you rather have a thousand dollars or get a soft kiss from Harry?

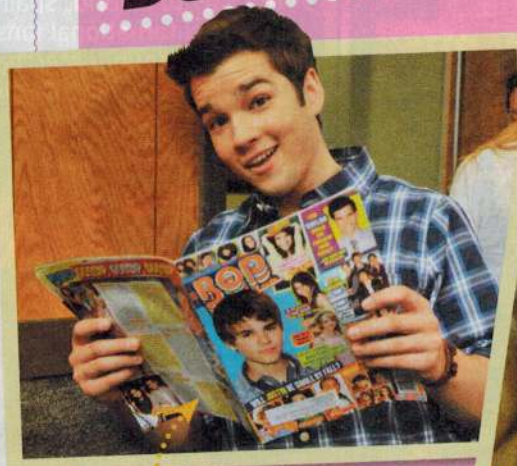

OMG, that's a tough question. While you are thinking about that, let me tell you about the five totally hot close-up pictures of Harry, Zayn, Niall, Liam and Louis. You will never see these pictures anywhere else but May BOP, so yay for you for getting this issue! We also have private details about the guys, where they grew up and how they got to be the amazing singers they are today. And, oh, oh, oh! Did you see the paper dolls in the front and back of this issue? You are probably saying to yourself, "Hey, that's totally unfair that you only have Harry and Niall paper dolls!" But, never fear. We just didn't have enough room for all five guys, so you can complete your collectible paper doll set with the next issue: June/July BOP, which goes on sale May 8. I know it feels like a long time, but I promise it will be worth the wait! OK, have your answer to the big question of life? Email me at leesa@bopmag.com!

Ariana Grande's hair is even more red in person. So pretty!

BOP's backstage with The Wanted

Hot new British/Irish band The Wanted, who sing "Glad You Came," invited *BOP* to spend a day with them. After hanging with the five cuties all afternoon, they invited us to their sold-out concert at the El Rey in Los Angeles, California. What secret foods do they keep backstage? We spotted sandwiches, fries, sodas and a giant table covered in candy. Yummy!

Max Schneider

Max shows off his perfect toe touch!

Max flips out at his BOP shoot

How to Rock star Max Schneider arrived with his mom, Charlotte, to his first-ever *BOP* photo shoot in Hollywood, California. Max's mom spilled to us that Max used to take gymnastics lessons, so he knows how to do amazing flips and jumps! We just had to see Max show off his skills for us, and we snapped a cool pic of the moment for you. Guess what? Max did 10 jumps in a row to get this perfect photo!

We're on the Lab Rats set

We reported to the *Lab Rats* set for an interview with the show's cast. Spencer Boldman, the show's super hottie, admitted to us that he's still shocked when he sees his photo in the pages of *BOP*. "It's crazy, but it's really neat to see myself in your magazine," he smiled. What a sweetheart!

The One Direction hotties hit the shops while they were in Los Angeles. We spotted the band mates together at American Apparel. Both guys bought T-shirts!

GOT A QUESTION?

Desperately need celeb advice? Go to bopmag.com/askmeanything

Ask Me ANYTHING

This month, **Jennette McCurdy** answers your questions!

Q: Hi, Jennette! I'm always trying to find a way to talk to my favorite celebrities. How can fans stand out from the crowd and get your attention?

— Ashley, NY

A: Send me something [you can find my address in the Star Maps section on P. 97]! I love when fans make me friendship bracelets, because they know I love bracelets! But anytime a fan sends me a little bracelet, a stuffed animal or draws me a picture, they really stand out to me.

Q: I'm just starting to wear makeup for the first time, so I love reading beauty advice from the stars! What's one beauty product you could never live without?

— Nadia, TX

A: Ooh, I'd have to say the one product I could never live without would definitely be mascara. I have really light eyelashes, so if I don't wear mascara, it looks like I don't have any! Mascara definitely helps enhance my natural long lashes and it also makes my eyes really pop. I always carry it with me. Gotta have my mascara!

Q: There's a group of girls at school who are always making fun of me and my friends. Have you ever dealt with bullying? What do you think I should do?

— Jessie, OH

A: When I first joined the dance team, it was a very tight-knit group of girls, and they didn't really want to let anyone in. The first few weeks they kept picking on me, so one day, I just told them to stop being mean. Eventually we became friends! I think if you're dealing with a bully, it's best to confront them and ask them to stop.

Cymphonique NEEDS YOUR HELP!

My BFF is mad at me! What should I do?

"Sit down and talk to them about it. The faster you take care of it, the better it is!"

— Justinbieberrrrd

"Apologize for what you have done to make them mad. Be the bigger person about it!"

— TheJenniferAnn

Want to give a celebrity your advice? Quick, go to bopmag.com/helpme right now!

ASK A HOTTIE

Lab Rats star Billy Unger

Q: I'm scared to go on a date with my crush because I'm afraid I'll have an OMG moment (I'm really clumsy). Do boys ever get embarrassed in front of a girl they like?

— Maggie, MA

A: I get really embarrassed when I trip over myself in front of a girl I like. I always think it's worse than it actually is though! Most of the time I'll just laugh it off.

Q: Hi Billy! My question for you is, if you could plan the perfect date, where would you go?

— Amanda, CA

A: Well, I like hanging out on the beach, so I'd love to take a girl on a date there. Later on, I would take her to a really cool restaurant on the water for dinner.

Yikes! Things are totally heating up. Words are traded. Insults made. **What's going on with Big Time Rush and One Direction? BOP** has the truth!

Big Time FEUD

One day, it was a near war on bopmag.com. "Big Time Rush are hotter and better than One Direction!" wrote *BOP* reader ari0209. So not true, argued MarsStyles. "1D are naturally funnier, more awesome, witty and gorgeous than BTR." Finally, reader EverydayImRushing had enough: "People, please stop arguing! Both bands are different and amazing. Stop offending each other. What if the guys saw these comments? They'd be so upset!"

Turns out, any talk about a feud between Big Time Rush and One Direction is a total rumor. In fact, it's the fans who are arguing over who the better band is. Meanwhile, the guys totally get along. They hope their fans will do the same!

Big Time Rush reaches out

Let's face it, things could have gotten totally awkward between BTR's Kendall Schmidt, Carlos Pena, Logan Henderson, James Maslow and One Direction's Harry Styles, Niall Horan, Louis Tomlinson, Zayn Malik and Liam Payne last February. These two guy groups are both trying to be the biggest pop stars in the world. But instead of getting super competitive, BTR reached

out to One Direction and asked them to tour with them in the United States. The nine hotties became fast friends, meeting for the first time at the end of January at a Los Angeles, California, studio, and then touring the country together for two weeks in February and March... and boy did they have fun!

Both groups are big practical jokers, so of course they pulled some pranks on each other. In New York, New York, BTR surprised Niall on stage during one of their rehearsals. "He was watching our soundcheck and we brought him out and embarrassed him," Kendall tells us. "He didn't know he was coming up, but someone in the audience asked us what it's like touring with One Direction. So we were like, 'Niall, come on out here.'" Afterward, the Irish cutie's response on Twitter was, "Thanks for embarrassing me big time today — that was scary!"

This pic was snapped at the groups' first meeting in Los Angeles in January.

Teaming Up on Twitter

Here's proof that 1D and BTR truly are friends!

Niall Horan @NiallOfficial 27 Feb

Kendall Schmidt @HeffronDrive 28 Feb

Niall Horan @NiallOfficial 29 Feb
 @HeffronDrive @TheCarlosPena @1LoganHenderson @jamesmaslow thanks for embarrassing me bigtime today! that was scary.

Logan Henderson @1LoganH 29 Feb
 Had a great time tonight! Grabbed a bite with the guys from 1D and we all agree...coming back to Boston soon! #betterwithBoston

Band bonding

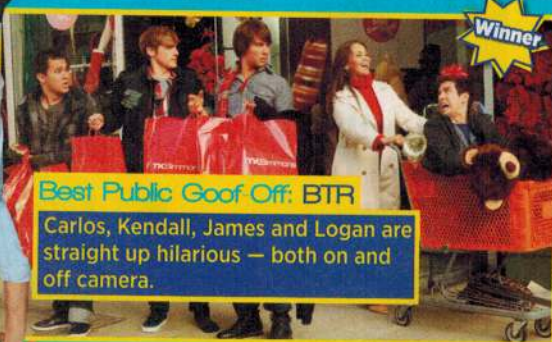

While in Boston, Massachusetts, the guys grabbed dinner together, and in Canada, they made a hilarious YouTube video where Louis tosses a banana and chops it in half mid-air! "We're having a lot of fun," Liam says. Besides their good looks and amazing voices, the guys share even more in common. "We are actually very similar on and off-camera," Carlos says. "They're awesome guys," James tells us. "They have a similar sense of humor to us, and they're enjoying the ride. They love their fans."

The One Direction guys are also super appreciative of their new BTR buds: "They are really great guys and could not have been more welcoming and supportive," One Direction says. It's safe to say that both superstar groups are excited to be sharing the limelight. "Having One Direction open for us has made the tour that much better," Logan tells *BOP*. We agree, Logan... it's definitely been "Better With U" both!

Battle of the Bands Awards

How do **BTR** and **1D** really measure up? We pick the winners!

Best Public Goof Off: BTR

Carlos, Kendall, James and Logan are straight up hilarious — both on and off camera.

Best Style: 1D

The five hotties not only have amazing accents, but their hip, matching style is so dreamy!

Victoria's SILLIEST Snapshots!

Nickelodeon star **Victoria Justice** catches a lot of random moments on camera, so **BOP** put her craziest Twitpics together in one place for you to enjoy!

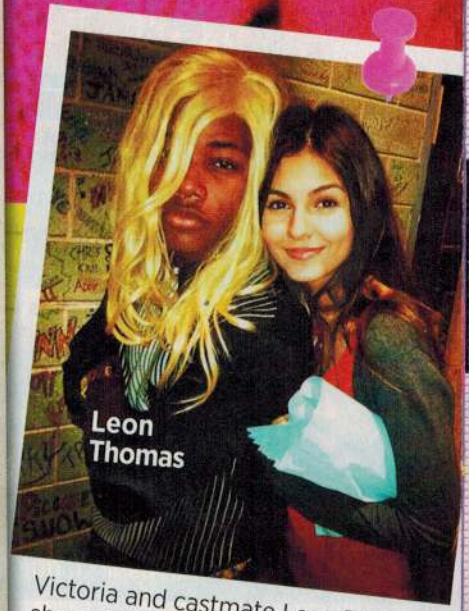

"Am I the only one not getting reception in here?"

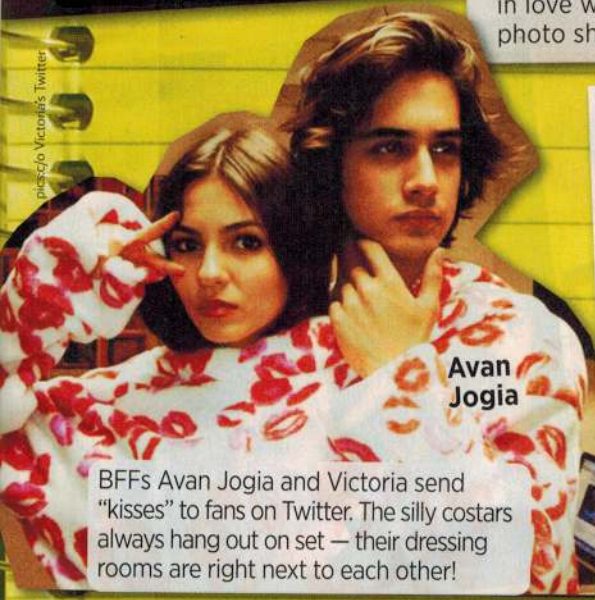

Crystal the Monkey chills out with Vic (and licks her face!) at a birthday party for *iCarly* and *Victorious* creator, Dan Schneider. Victoria tweeted, "A moment I will never forget!"

Peace out! "I'm having a very vintage and fun morning," Victoria tweeted. The popstar fell in love with these '50s style sunglasses at a photo shoot in England.

Victoria and castmate Leon Thomas show some love on Valentine's Day. It's true! Blondes do have more fun!

Avan Jogia

BFFs Avan Jogia and Victoria send "kisses" to fans on Twitter. The silly costars always hang out on set — their dressing rooms are right next to each other!

HOLE-Y MOLEY ▼

My pants had a HUGE rip down the back around the butt area, and I had no idea the entire day at school. I didn't realize it until I got on the bus to go home when someone sang, "I see London, I see France. I see Morgan's underpants!" The next day, everyone at school made fun of me!

—Morgan, OH

MUDDY MESS ▲

My crush knows that I'm a gymnast, so I was totally flattered when he said to me, "I heard you can walk on your hands." I was so eager to impress him that I didn't realize how wet the ground was from the rain the day before. As I put my hands down, they slipped right out from underneath me, and I fell face-first onto the ground. He couldn't help but laugh as I lay there holding back tears.

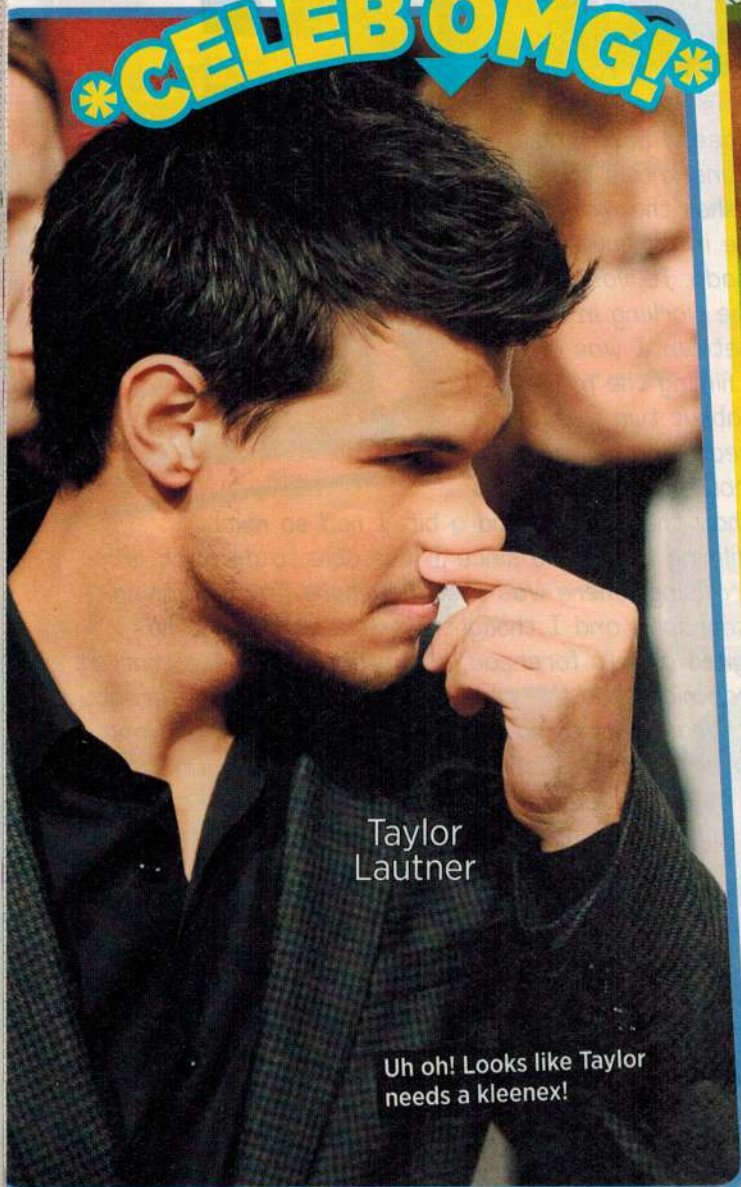

—Joi, SC

CLASS KLUTZ ▼

On the first day at my new school, I whacked my head on my locker as I was bending down to get my books. I hit a sharp edge and my forehead started to bleed. I didn't know what to do, so I put my hands on the cut, but I couldn't stop the blood from running down my face as I ran to the nurse's office. It was a horrible way to be noticed for the first time!

Deanna, SC

CELEB OMG!

Taylor Lautner

Uh oh! Looks like Taylor needs a kleenex!

TERRIBLE TUMBLE ▼

I totally froze up onstage at the school talent show. I was supposed to sing Taylor Swift's "Our Song," but I was so nervous that I forgot the lyrics and sounded terrible. To make matters worse, I tripped off the stage, my skirt flew up, and everyone saw my Hello Kitty underwear! I cried because I was so embarrassed.

— Czarina, OR

LUNCH LOSER ▼

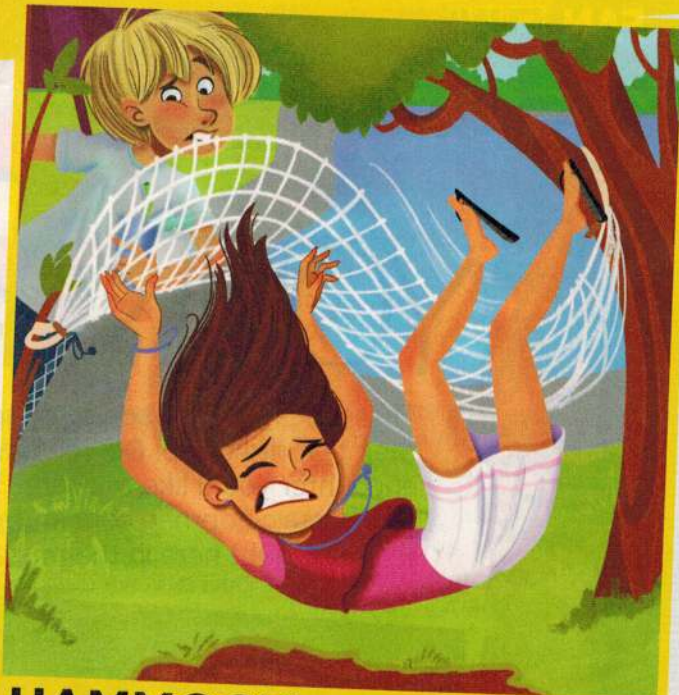

My BFF knocked my Mountain Dew all over my lap at lunch. The soda stained my jeans, and the boys at our table started laughing and shouting, "You peed your pants!" I burst into tears when my crush laughed at me. I went back to class and asked the teacher if I could call my mom to bring me some new pants. It was the worst day ever.

— Brooke, CA

BATHROOM BLOOPER ▼

I had to go to the bathroom at a Japanese restaurant, but I could not tell which sign on the door said "Women" so I had to guess. I definitely guessed wrong, because as soon as I pulled the door open, a guy started walking out toward me! I could feel my face turn bright red.

— Emily, NV

HAMMOCK HUMILIATION ▲

I was so humiliated when I fell off a hammock in front of my crush. We were at a pool party, and I was trying to act cool. As I started to casually lay down on a hammock that was right next to him, it got twisted and I fell to the ground. I couldn't stop myself from screaming "Ahhh!" as I was falling. He totally started laughing.

— Autumn, FL

DIRTY TURDY

A bird pooped on my sandwich... SO gross! I didn't think it was possible until I went on a class field trip by the beach, and when we took our bagged lunches out, a seagull flew over me and dropped a little surprise. It was disgusting and humiliating. To make things worse, my classmates kept laughing about it the rest of the day.

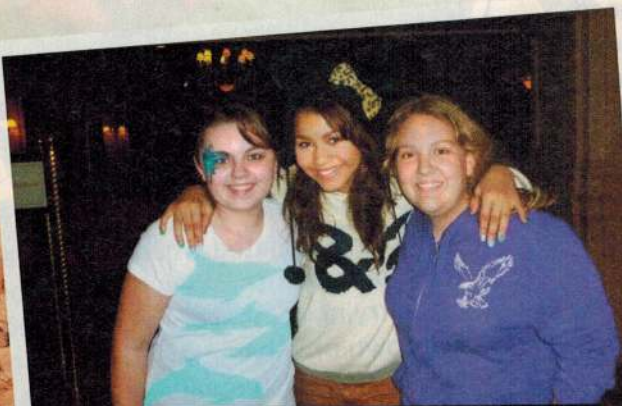

— Savannah, NY

Emily and her friend, Jesalyn, met *Shake It Up*'s Zendaya while vacationing in Disney World — they all stayed at the Yacht Club Hotel! "We were sitting in the lobby when Zendaya walked straight up to us," Emily says. "We were so shocked! We talked for a few minutes about *Shake It Up*, dancing and Disney World, then got her autograph. She was super nice and we gave her a hug before she left. Jesalyn and I were smiling the rest of the night!"

Cody Simpson

Tessa met Cody Simpson at his concert in Milwaukee, Wisconsin. "I was able to save up my own money to buy a VIP ticket, so I got to the venue nice and early," Tessa recalls. Miranda Cosgrove

Danielle met *iCarly* star Miranda Cosgrove after winning a contest at her local radio station in Rhode Island. "When I first met Miranda, she asked me my name and how to spell it, so she could write it on a picture," Danielle remembers. "We started making small talk about how she hates math and how we are so close in age. I was pretty starstruck, but at the same time, it was just like having a normal conversation with anyone in the hallway!"

Big Time Rush

BOP reader Karina traveled from Arizona to California with her cousin Jasmine to see Big Time Rush perform in Los Angeles. "I bought VIP tickets so that I could do the meet and greet with BTR," Karina tells us. "When we were one step away from meeting them, my legs went numb. "I used to have two imaginary friends called Hano and Dano. We used to sing songs together and create worlds together, and I used to love doing that because I could get in trouble and go to my room, but Hano and Dano were there so we would hang out and play all we wanted."
— Josh Hutcherson

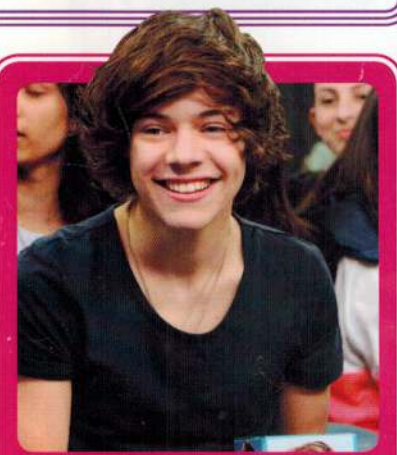

Zayn Malik told us a secret: he is totally hoping One Direction gets their own TV show. After 1D guest-starred on *iCarly*, he caught the acting bug. What does he want the show to be about? Anything! "I'd just be grateful for any opportunity," he tells *BOP*.

You've seen pictures from our photo shoot with **Kenton Duty** and his *Shake It Up* costar **Caroline Sunshine** inside this issue of *BOP*. What you didn't see is Kenton accidentally took a sip from the chocolate shake he's holding, thinking it was strawberry (oops, an order mix-up). That's a no-no because Kenton is allergic to chocolate. After he learned it was chocolate, he posed without drinking it.

BOP Wait, don't go!

We're **not** done. There's **still** more to tell you!

Harry Styles has a new love! But it's not what you think. You see, when the British hottie came to the United States, he made a discovery: Sun-Maid Raisins. He fell so hard for them that he can't stop eating them. When we saw him last, he ate two full boxes before we interviewed him, and then he asked us if we wanted to share a third box. So polite.

Guess who's a giant fan of One Direction. **Bella Thorne**! We just ran into the *Shake It Up* starlet, and she told us that the night before, she and her friends had a sleepover. B and pals spent the whole night jumping on the bed and lipsynching to 1D's song "What Makes You Beautiful!"

Here's a fun photo shoot fact: **Ariana Grande** can make any picture look pretty! We did an outdoor photo shoot with Ariana for *BOP*, and it turned out to be a totally windy day. Well, she looked amazing, but the purple and pink paper decorations would not stay in place, so we can't use the pictures anywhere but here.

Proving there's nothing but love between rival pop stars **Cody Simpson** and Justin Bieber, JB invited Cody to his 18th birthday party. Cody tells *BOP* it was amazing!
