## from the EDITOR

Hi! I'm so happy you're here, thanks for reading May *Tiger Beat*. I'm pretty sure I'm totally in love with this issue. First, *Tiger Beat* was the ONLY magazine (out of the whole entire world of magazines) to be on the set with One Direction at their first-ever acting job. It was like we were watching history in the making as Harry, Niall, Zayn, Louis and Liam filmed a guest-starring role on Nickelodeon's *iCarly*. Harry told us he was nervous, but he was a natural in front of the camera. Niall super bonded with shy Miranda Cosgrove, and Jennette McCurdy wants to tell you what Zayn smells like (find out on P. 12). There are so many more secrets and photos from the day inside. If you're a true One Direction fan, this issue is for you. Did I mention you will only see it here in May *Tiger Beat*? Yes, I think I did, LOL. Don't forget to tell your friends, because you don't want them to "borrow" your issue and

never give it back. Of course, this issue is also packed with gossip and news on Selena Gomez, Justin Bieber, Big Time Rush, Victoria Justice and more. I would totally love it if you would write and tell me what your favorite part of this issue is. Send me your thoughts to leesa@tigerbeat.com. Thanks and bye!

## LETTERS to the editor

**Dear Tiger Beat,**  
Hi! I'm Nat, and I love the story in March *Tiger Beat* called "14 Totally True One Direction Facts." I LOVE ONE DIRECTION SOO MUCH! I also love the posters. ☺ Thank you for sending *Tiger Beat* to Spain. — Natalia, Spain

**Dear Tiger Beat,**  
My favorite story in Jan/Feb *Tiger Beat* was about the day Bella lost her dad. It was sad but nice to have her open up about what happened in her family. (If you put this in one of the issues, I will be VERY happy!) — Emily, Canada

**Dear Tiger Beat,**  
Thank you so much for making your magazine!!!! It's so awesome! I love all of it, especially the stories, posters, tips, Star DIY's, and the OMG's, especially the star ones. I also really love the Star Map!!!! — Ella, MD

# Big Time Rush

ONLY IN  
**TIGER**  
beat!

Have you ever wondered what a day in the life of **Big Time Rush** is like? We have the answer! Since the guys are filming a third season of their show, we're giving you a sneak peek into their on-set lives!

**6:00 a.m.**

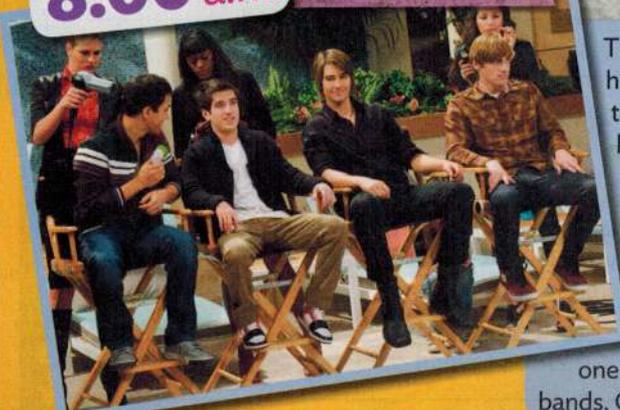

**Arrival**

The show tapes at Paramount Studios in Hollywood, California, and James Maslow is ALWAYS the first to arrive! The cast eats breakfast together outside the soundstage. "We eat a lot of eggs," Logan Henderson spills. "We love cereal. Actually, we love eating, in general."

**8:00 a.m.**

**Hair + makeup**

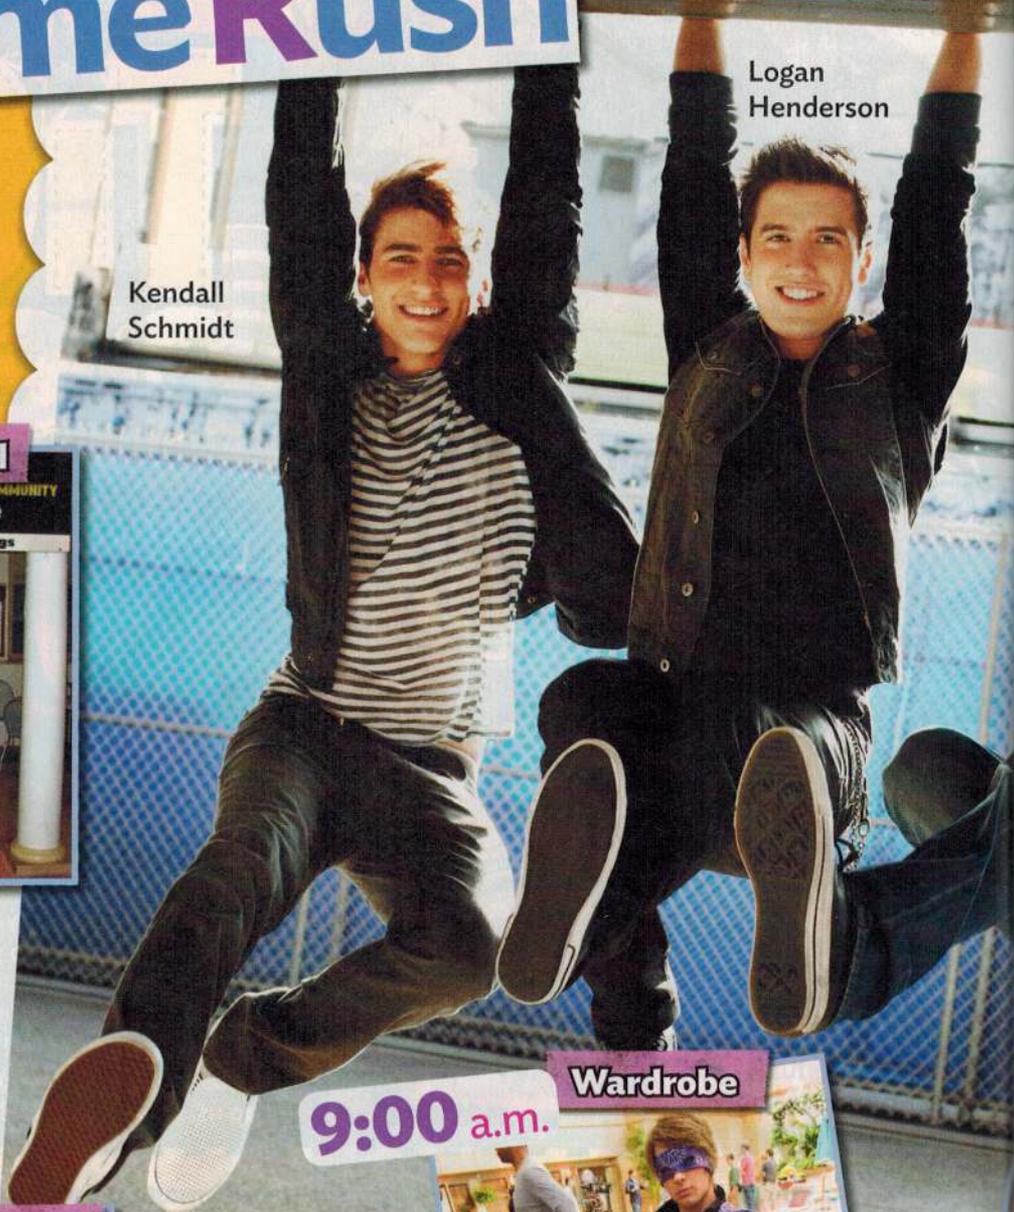

The guys get their hair and makeup touched up right before shooting their first scene of the day. While BTR sits around, they tell stories and listen to one of their favorite bands, Coldplay.

**9:00 a.m.**

**Wardrobe**

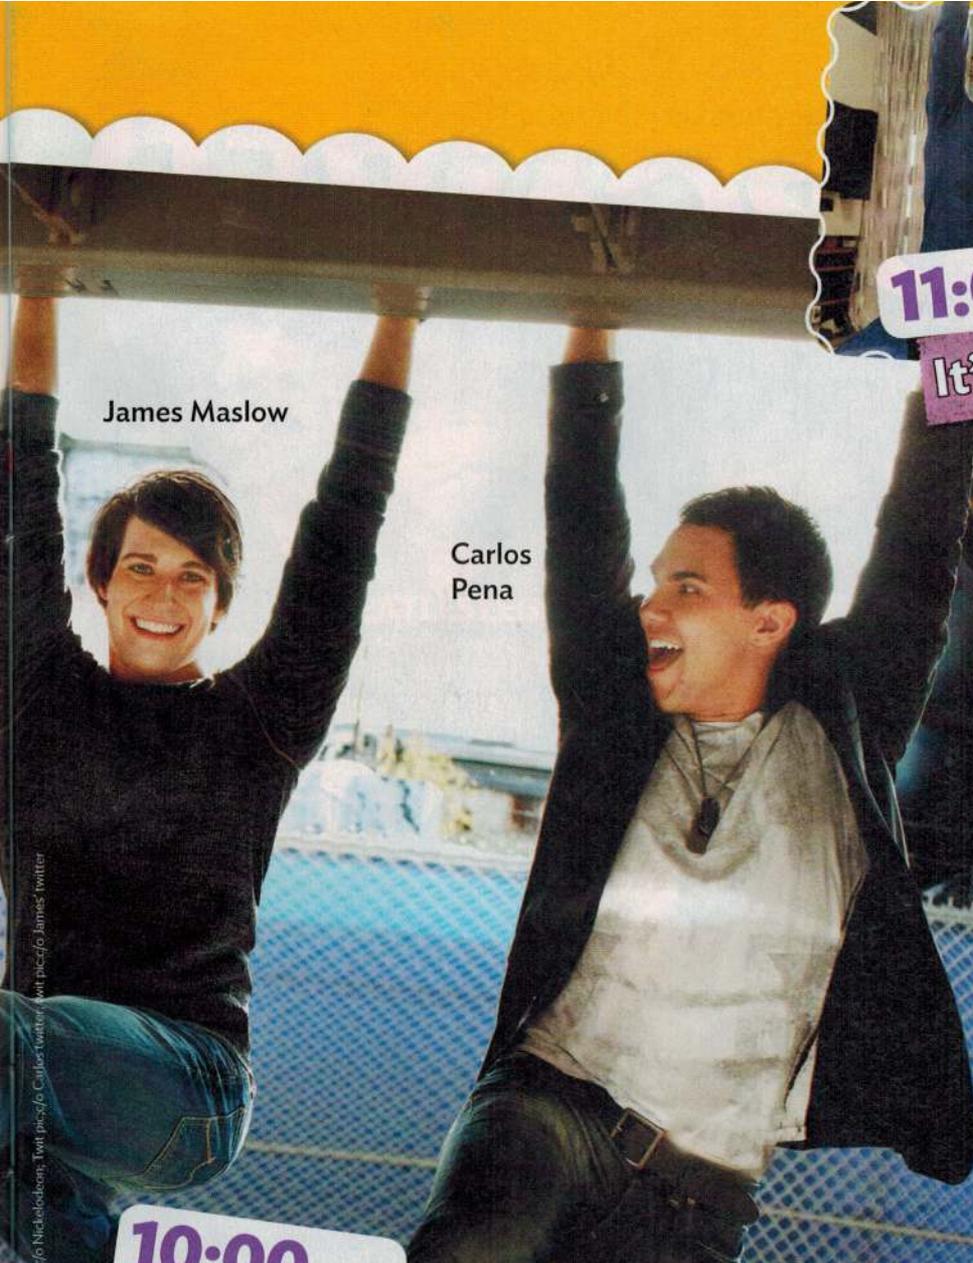

Around 9 a.m., the guys change out of their normal clothes and into their wacky wardrobes. While they are getting dressed, Carlos Pena likes to belt out show tunes from his fully-renovated room (it even has a giant flatscreen TV), Kendall Schmidt strums his guitar. James' dressing room is like a meditation sanctuary with a place to sleep, and Logan has a collection of sneakers in his room.

Carlos Pena

**11:00 p.m.**  
**It's a WRAP!**

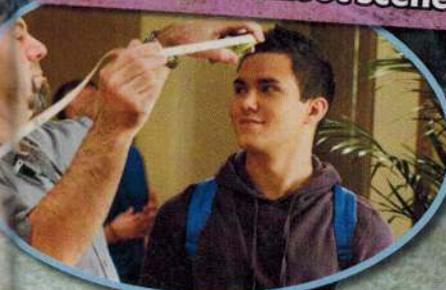

When the day finally comes to an end, BTR goes home, sleeps and does it "All Over Again" the next day. "We spend an average of about 16-18 hours a day together," James says. "We're like brothers."

**9:00 p.m.**  
**Night scenes**

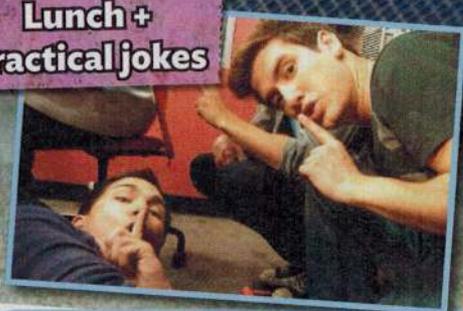

The Palm Woods pool in the show is on a different stage than the rest of the set. Here, day scenes are actually taped at night thanks to all the bright lights. Between shots, Kendall plays guitar and sings for the crew!

**10:00 a.m.**  
**Rehearsal + shoot scenes**

The cast is called to set at 9:30 a.m., and on the way, they exchange hugs with the production crew. Carlos and the guys are told where to stand for the scene (that's called blocking). They'll go over scripts, rehearse and make each other laugh. "Carlos and I take humor to a whole other level," James says. "He's very funny. We play off each other very well."

**1:00 p.m.**  
**Lunch + practical jokes**

When the director yells, "Cut," the guys break for lunch, which is prime prank time. Carlos and Logan love to pop out from behind things to scare people and pour popcorn all over each other's dressing rooms. It's tradition that the entire cast eats lunch together, and then the guys ride bikes around the studio until it's time to work again.

**5:00 p.m.** **Between takes**

From 3-5 p.m. everyone's filming, but between takes, Kendall and the guys are glued to their phones checking texts and tweets (from you!). Sometimes they'll play Xbox against each other. They love video games, especially Call of Duty.

# OMGs!

Share your totally true embarrassing moments with us at [tigerbeat.com/omg](http://tigerbeat.com/omg)

## Bathroom BLOOPER

I had to pee so bad while I was at the mall that I ran straight for a bathroom stall. Unfortunately, I picked a stall with no toilet paper. I started yelling out, "Help! I need toilet paper," but nobody heard me (or just ignored me). My friend rescued me 10 minutes later when she came in to see why I was taking so long.

—Isabella, MN

## Baseball BLUNDER

There was a HUGE wad of gum stuck to my butt at a baseball game. My friends and I walked down the bleachers to get a snack and everyone saw me from behind — I felt SO embarrassed.

—Emily, NC

Hayley Kiyoko

## Star OMG

"Injuring my back [while filming *Lemonade Mouth*] was super embarrassing. I had to wear this huge ice pack. It was funny because I would wear *Icy Hot* and walk into a room and people would be like, 'What's that smell?' You could just smell me from 20 feet away. They said, 'You know Hayley's coming,' because I was, like, flaming in *Icy Hot*."

—Hayley

## Wardrobe WHOOPS

My skirt flew up in my face as I was walking to school on a super windy day, and I freaked out because a car drove by and saw my underwear. I was too far from home to go back and change, so I just had to hold it down with my hands the rest of the way.

—Katie, CA

## Gym GOOF

I totally failed at trying to look cool in front of my crush in gym class the other day. I got whacked in the face with a volleyball that HE passed to me because I was staring at him so hard! I was SO mortified because the game stopped, everyone stared, and I had sit in the stands with an ice pack on my face the rest of the class.

—Whitney, NY

## Distressing DAD

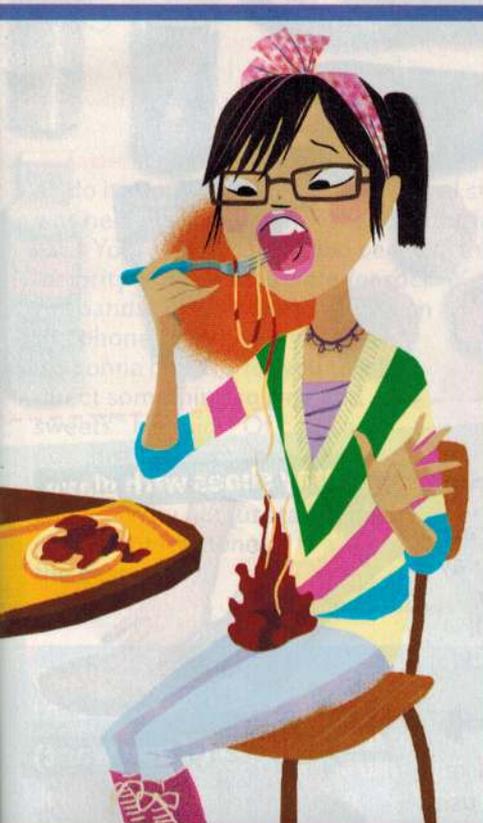

I was driving in the car with my dad, which is already embarrassing enough. We had the windows rolled down, and my dad decided to blast oldies music. He did it on purpose to make me blush, but the worst part was when we came to a stoplight, I saw a hot boy from school in the car next to us! I could see him laughing at us.

—Amy, VA

## Gruesome TWOsome

I thought I was being totally brave when I volunteered to team up with my crush to play doubles tennis in P.E. class. I was going after a ball in the middle of the court when I realized I was going to run into him. I turned to avoid a crash and tripped and fell hard on my knees. There was so much blood on my knees, I started crying. It was terrible.

—Melanie, TX

## Red, White AND EW

It was spaghetti day at lunch, and I couldn't wait to dig in. As soon as I took the first bite, a big glob of red sauce fell on my white pants. Even worse, it landed right near the zipper and between my legs. I heard someone say, "Ewww, she just got her period," and I was like, "No! I didn't!" I ran to the nurse and asked for a change of pants. I had to wear boys' sweats the rest of the day.

—Ashley, ME

## Flustered FOODIE

I was pushing my little sister around at the grocery store. She distracted me, and I knocked over an ENTIRE display of canned tomatoes. The store clerk shot me such an angry look that I wanted to crawl up in a ball and die. I was so embarrassed, I couldn't even pick up the cans. I sped off to find my mom.

—Brittany, NH

## Blushing BABE

I finally built up the courage to wave to my crush in the hallway at school, but he totally didn't see me! His friends witnessed it though and whispered to him, so I panicked, turned around and ran to the bathroom where I hid out until the halls were clear. Awful, awful day.

—Taylor, WA

## Slippery SITUATION

It was my first time wearing heeled boots in school, so as I walked down the hall with my friends, I started to stumble. I ended up falling (not gracefully), which made my books fly in the air as I landed flat on the ground. Other students stared, and my friends laughed so hard that they almost fell to the ground, too! I'm sticking to flats from now on.

—Tori, NY

I think my best friend is kind of "showing off" her body. She wears tight tops that show pretty much everything and then complains that guys don't treat her with respect. She is SO annoying!  
— *Bothered Bud*

I always tell people that I'm doing my homework, but what I'm really doing is surfing the internet looking at James Maslow photos. — *Secret Surfer*

I am completely obsessed with *Victorious* star Ariana Grande. I even have an Ariana Grande folder that holds all of her posters from *Tiger Beat*. Every single song on my iPod Touch is by her. If my friends ever knew the truth about my obsession, I'd die!  
— *Fanatical Fan*

My crush talked to me in class one day, and he asked if I liked this new rock song. I told him I loved it, but I truly hated it! I didn't want to disappoint him. Plus, I got bonus points for having similarities. — *Loving Liar*
