oh my! Tiger Beat is...

SEEING STARS!

Our NYC Adventure with Big Time Rush!

We asked Big Time Rush about their fave places in New York City. "I love SoHo," James shared. "They have the best shopping and the best food." Logan asked US for advice on where to go! "Show us some cool spots because we're always willing to try something new," he grinned.

It's my turn to play tour guide, guys!

Lucky us! Tiger Beat spent the day touring New York City with Big Time Rush on their own bus. Devoted BTR fans even got the chance to take a ride! "We're having a great time with them on the bus," Carlos spills to us. James was super excited to see the city. "We're getting a full on tour of NYC with the fans, so it's pretty cool," he reveals.

Hottest bus ever? Tiger Beat had a blast riding on this bus with the boys' faces blown up on it!

The boys loved performing in Times Square for a BTR episode. "It was work, but that was the coolest thing we did this summer," James told us.
